FIRENZE 1962

A modern, multi-story building with a large glass facade. The building is set against a blue sky with light clouds. In the foreground, there are concrete steps leading up to the entrance, flanked by flower beds with red flowers. To the left, there are three flags on poles: a blue flag with the Artelinea logo, a green flag, and a blue flag with the European Union flag. The overall scene is bright and professional.
